LIGHTING & SOUND SYSTEM

Celebrations features a state-of-the-art intelligent lighting system including moving head fixtures, scanners, gobo projectors, and colored LED room washes. Facility-wide distributed sound system with front-of-house PA suits a range of applications from subtle background music to live entertainment with our DJ or your favorite band. The facility features (10) plasma displays that can show a custom video or photo montage created for your event, or broadcast live video from in-house cameras. A raised stage is available to your guests for interactive dancing.

Lighting (included)

- Pre-programmed intelligent lighting system with moving heads and scanners – the perfect compliment to your evening of dancing and live entertainment
- Colored LED wall and room washes provide a custom look to your event; select from (6) designer color combinations
- (4) mood-lit lounges for a more intimate gathering

Audio/Visual (included)

- Our in-house audio system is available for background music during your event, as well as for use with live entertainment (DJ, band)
- Front-of-house PA, with 24-channel mixer and outboard effects
- (10) 58” plasma displays throughout the facility provides video playback of your choice; bring us your home movies or slideshow on a DVD
- A podium, wireless microphone and/or lapel mic is provided

DJ Services/Live Entertainment

- Our house DJ can be provided for your event for \$1,500 (our all-inclusive package). Music can be customized to your wishes. Liability insurance is included
- You may bring your own DJ/band for your entertainment. A \$750 charge will apply for an on-site A/V technician the day of the event to make sure everything goes smoothly

Optional Services

- Custom lighting and sound packages are available upon request. An on-site technician will be required for the above services
- Custom gobos can be made with your corporate logo or event honoree. Prices range from \$250 to \$500 each, plus labor, depending on color and quantity
- Broadcast video feed, webcasting services and wired/wireless Internet connection available for a fee upon request

We are very excited about our newest venue
