Dear Chrissy,

What an incredible Wedding Reception! How do we even begin to express our appreciation for the first class event you provided for us on September 1<sup>st</sup>? Haley and Jordan's reception was just beautiful and one that will forever be memorable to us because of the care you took to fulfill our dreams.

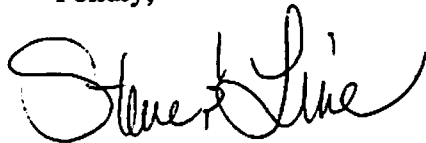

We continue to be amazed by the many comments we've received regarding the impression that Turnip Rose left with our guests. The excellent food, prompt service, and lovely ambiance absolutely contributed to the wonderful time that was had by all. Many remarked that it was the best wedding reception that they had ever attended.

More than anything else, working with you over this past year has been an absolute pleasure and your positive attitude and cheerful demeanor were my "calm" amidst the storm. Your "can do" spirit was evident in every conversation we had, and left me feeling confident that our reception would go off without a glitch...which it surely did.

Also, please extend our appreciation to Mary. She was so helpful that evening and had a smile on her face every time we talked. As a matter of fact, your entire staff is to be congratulated for their professionalism and good nature as it means so much at an event such as this.

Our sincere thanks to you and your organization! As I'm sure you have heard a million times, our experience with Turnip Rose was A++. We would highly, and without reservation, recommend your services and have already done so to many of our friends.

Fondly,

Dear Chrissy,

Our daughter's wedding was amazing! You, and the entire staff at the Turnip Rose were just great to work with. You were there for us every step of the way and I knew this the first day we met.

From the beginning you were there with suggestions, answers to questions, and guiding us through the whole event. Your staff, the service, the food, the festival of strawberries, the presentation of everything was spectacular. Our friends and family have sent notes, made phone calls, and sent emails raving about the magnificent wedding of Frankie and Stephanie's that they attended.

You delivered everything you promised and all went off without a hitch. The ceremony went off beautifully, the room was beautiful, and our friends are still talking about the quality of the food delivered to such a large group of people. It was delicious.

The basket the bride and groom received when they left was a complete surprise. They loved it.

Please thank all the staff for their hard work and efforts to make this "the best wedding ever."

Sincerely,

Dear Barbi,

Well... You all did it again!

The Alzheimer's Association's "Cheeseburger in Paradise" Gala event that was held at the Turnip Rose on Friday, March 20<sup>th</sup>, 2009 was simply amazing! The delicious sliders, fantastic French fry bar, refreshing cocktails, and the "cool" atmosphere were the essence of casual elegance! All of the evening's elements were set off perfectly by your gracious and extremely friendly staff, particularly Ernesto and Michelle. Whether it is pitching in with decorations or assisting guests, your team always makes a first class effort to help in any way that they can. We always know that we will get the royal treatment when we enjoy an event at the Turnip Rose.

Our annual Gala functions as both a celebration of our yearly efforts to raise Alzheimer's awareness in our communities, as well as an opportunity for those who support us to contribute to our cause. You all provided us with a flawless venue, which was essential to ensuring the success of the evening. And what a success it was!

Thank you so very much for your continued support and all of your hard work.

**Re: St. Patrick's Day Party**

Dear Crissy:

Wow!!! What an awesome St. Patrick's Party!!! All week long we have received phone calls, e-mails and notes from our guests with wonderful praise on the outstanding evening. The Turnip Rose at The Grand Newport Plaza was a perfect choice for our party.

What a pleasure it was to work with you and your very gracious staff again. Someone was there every moment to take care of our every need. I could relax and enjoy the evening knowing that every detail was being taken care of.

The food and the presentation were even better than I had remembered. Your recommendations for our menu were perfect and very well received by our guests. The shrimp right down to the chocolate fountain (and everything in between) were being given rave reviews as our guest left at the end of the evening.

Thank you again Crissy for an outstanding evening. You made me and Murtaugh Meyer Nelson and Treglia look great.

Sincerely,

Dear Chrissy,

We recently held our annual Gala at The Turnip Rose in Costa Mesa and our spiritual community is still basking in the glow of the evening. This was our 16<sup>th</sup> Gala and this year was the second year we have come to The Turnip Rose. Without question, The Turnip Rose is far beyond any other venue we have been in; the building and grounds are exceptionally beautiful, the food is gourmet and presented in delightful ways, and the service is unparalleled. Our every need was met, mostly before we even asked.

On the day of our Gala, one of our staff members arrived at The Turnip Rose early to prepare for the evening. She soon discovered that everything had already been placed by your staff and that the room was virtually ready. She asked, "Is it always this easy?" and the reply was, "Yes, at The Turnip Rose, it is always this easy." Because of The Turnip Rose staff's professionalism and attention to detail, our staff was able to be a part of the evening in a way that they rarely are able to. It was a priceless gift to our staff to be able to participate with our congregation in the festivities of the evening.

Again, thank you so much for ALL you did to ensure our event was a tremendous success and a reflection of sacredness, beauty, grace and excellence.

With Great Love,

Dr. Marj Britt
